

April 30, 2005

- A Sprint Orienteering Championship was added to the US Championship schedule and the Rules Committee was charged with proposing rules.
- The US Night Orienteering Championships was officially added to the US Championship schedule (it apparently never had been!) and the Rules Committee was charged with proposing rules.
- New rules were passed regarding the use of electronic punching at USOF sanctioned events.

*Submitted by S. Fillebrown, USOF Secretary*
