The USOF Board of Directors [met on May 20, 2006](#) during the Team Trials event hosted by SLOC. The purpose of the meeting was to discuss what the board could do to improve orienteering in the US. We decided that we wanted to focus on developing opportunities to attract and train juniors to be competitive orienteers. In addition to several small initiatives, the board will be establishing a grant program to fund proposals from clubs that are aligned with this objective.

The next meeting will be in August 2006 at the U.S. Classic Championships in Buena Vista, CO, in conjunction with the Annual General Meeting (AGM). As always, the AGM and all board meetings are open to USOF members.
