RE: Board of Directors Update

Update for July 2, 2016 BOD Meeting

- OUSA/Club Services: Complementing postcard notices, automated emailing of renewal notices is now fully implemented through OUSA's NEON membership database. Current memberships total 1,171, broken down as follows (I/F/S/J/IL/FL): 392/290/71/236/133/49.
- OUSA/Club Services: Second group purchase coordinated for clubs by OUSA is resulting in substantial savings for 11 clubs on SportIdent epunch equipment.
- OUSA/Club Services: Exploration of website template including integrated event registration capability applicable to smaller clubs continues.
- OUSA/Club Services: Since the last Board meeting, published the 50<sup>th</sup> eNewsletter. The distribution list for this (free) service continues to grow.
- OUSA/Club Services: Grant to CTOC approved.
- OUSA/Club Services: Outreach to (potential) new clubs continues. This includes searching for potential MTBO venues.
- OUSA/BOD: Participation in 50<sup>th</sup> Campaign planning and execution (to be discussed at Board meeting).
- OUSA/BOD: Participation in National Junior Development plan (to be discussed at Board meeting).
